

PECG FED-PAC Recruitment Reward Program

What happens in our nation's Capitol affects each and every PECG member. That's where the funding levels are set for programs that employ PECG members. And that is where the laws are written that determine who does the work – public servants or for-profit consultants.

The PECG FED-PAC was created to:

- **Secure federal funding** for state transportation, water, energy, school, environmental, hospital, and other programs
- **Protect your job** from wasteful, overpriced outsourcing
- **Provide competitive wages** and benefits to state engineers and related professionals.

PECG FED-PAC is, however, voluntary. To encourage the recruitment of new FED-PAC members, **PECG will provide a cash reward for each new FED-PAC member you sign up.** The one-time cash reward will be equal to the FED-PAC monthly membership level – Presidential (\$25), Senatorial (\$15), Congressional (\$10) or General (Below \$10) – for each new FED-PAC member you recruit.

And don't forget, FED-PAC also rewards PECG members who join by providing high quality gear that makes everyone aware of their support for FED-PAC.

VALID FOR FED-PAC MEMBERS RECRUITED AFTER MARCH 3, 2012
