PECG CONGRATULATES SUSAN BRANSEN ON HER APPOINTMENT AS CTC EXECUTIVE DIRECTOR

SACRAMENTO, Calif. – Professional Engineers in California Government (PECG) released this statement today following the appointment of Susan Bransen as the next Executive Director of the California Transportation Commission (CTC).

“Professional Engineers in California Government congratulates Susan Bransen on her appointment as Executive Director of the California Transportation Commission,” said PECG President Mark Sheahan. “We look forward to continuing our close working relationship with the Commission and Ms. Bransen to ensure that California’s transportation dollars are spent wisely, providing maximum benefits to taxpayers and the traveling public.”

“Additionally, PECG would like to thank outgoing CTC Executive Director Will Kempton for his many years of service to California and its citizens,” Sheahan said.

For more information please contact Ryan Endean at (916) 446-0400 or rendean@pecg.org.

PECG represents 13,000 state-employed engineers and related professionals responsible for designing and inspecting California's infrastructure, improving air and water quality, and developing clean energy and green technology.
