- October 2020 to April 2021: Hydraulics
- April 2021 to President: Design

PECG EXPERIENCE:

Member since January 2018.

2020/2021 – Eureka Section Treasurer

CANDIDATE STATEMENT:

I would be honored to serve as the Eureka Section Secretary for the upcoming year. I have much experience serving as a secretary for the Society of Women Engineers for both our local Professional Section and the HSU Collegiate Section. I will use these skills that I have formed over the years to keep clear and concise meeting minutes of the Executive Committee and Member meetings.

This past year has proven to be challenging for the Eureka Section as many of the outreach and member events have been put on hold. However, serving as Treasurer has still been fruitful. I have learned much about how PECG operates and would like to continue to learn more so that I can be a more knowledgeable representative. I would also like to be involved as the section transitions out of the pandemic by resuming the activities that have been done in the past as well as bring to life some new ideas that were discussed over the last year by the Eureka Section Officers. Thank you for considering me.
