

**PROFESSIONAL ENGINEERS IN CALIFORNIA GOVERNMENT
2021 - 2022 GOLDEN GATE SECTION ELECTION
Candidate Statements**

Secretary: Nate Veale

This is my second year as PECG member and Engineering Geologist at the SF Bay Regional Water Board. I feel honored and lucky to work at the nexus of public service and the science that I love. I am also grateful for the work that PECG does.

I am running for the position of Secretary for the Golden Gate Section and believe that I can contribute to an effective team, working on behalf of all members. Although am I in the early years of my career at the Water Boards, I think I can bring valuable insight and work ethic to the Secretary position. I am a firm believer in the power and role of unions in assisting workers to fight for just working conditions, pay, and benefits. If elected to the board, I will promise to always advocate on the side of our members. Thank you for your support!
