**Candidate Statement:**

I have been a PECG member since November 2017, the moment I joined Caltrans. Last year, it was my privilege to be selected as Treasurer of PECG. Throughout this year's unfortunate COVID-19 event, I have seen how PECG benefits members of Bargaining Unit 9. This year, I am honored to be nominated to run again for the Treasurer position of the Sacramento Section.

I believe I have a number of valuable qualities I would bring to the position of Treasurer. My unique background, education, and experience will bring a fresh perspective to the position. Also, my experience with PECG would allow me to step into the role quickly. Finally, as a Caltrans employee, I want to serve PECG and it is my hope to offer my experience and acquired skills to PECG.

Thank you for your consideration and support. I look forward to the opportunity to serve in the organization that has fought to safeguard my rights and benefits as an employee of Caltrans.
