

**2023-2024 Bay Area Section Election
Candidate Statement**

Treasurer: PHIL COX

Current Classification: Senior Transportation Engineer, Traffic Modeling and
 Forecasting Branch, Advance Planning Office
Department or Agency: Caltrans
Years of State Service: 30+ years

WORK EXPERIENCE:

Over the years I have served on several citizen Advisory Boards including:

- Citizens Advisory Board for Traffix, a local School Bus Authority
- Pine Valley Middle School Education Fund Board Member

PECG EXPERIENCE:

I have held a variety of PECG Section Offices in the Bay Area and Fresno Sections including Director, President, President Elect, Vice President Supervisory, Secretary, and Vice President Membership. I am also a member of the PECG Science Fair Committee.

CANDIDATE STATEMENT:

For as long as I've worked for Caltrans PECG has been an important voice not only to improve state engineers working conditions, salaries and benefits but to improve the ability of Caltrans to serve the citizens of California. This role will be even more important during the coming years and I am anxious to do what I can do to help PECG perform these important tasks. As you can see, I have a lot of experience as a PECG Officer and I want to contribute my experience and skills leading the Bay Area Section of PECG during the coming years. Section Treasurer is an important position because it has the important task of accounting for PECG funds and ensuring that they are expended properly for the benefit of the membership.
