CANDIDATE STATEMENT:

It has been an honor to serve as your Vice President At-large of the PECG LA Section for the past two years. Despite the ongoing COVID 19 pandemic, the Los Angeles Sections has managed to continue to serve our members successfully and keep active. I believe strongly the work of PECG, one of the best bargaining units in the State and its ability to represent our interests and raise issues on our behalf with excellent track records. Properly maintain the section's documents and keeping a book of good minutes of all the meetings of the Executive Committee and of the members is a vital part of operating a great organization. I am committed to continue my part to help to maintain the success of both PECG Corporate and the Los Angeles Section by serving as your next LA Section Secretary. There is still work to be done and that can only be achieved with your participation, your vote and help. Thank you for your support and considerations.
