Candidate Statement: To my fellow River Section member, Thank you for your membership and time to vote in this year's PECG Section election. As your current President, I had the honor to get to know members and learn what is important to you. I enjoy serving in the River City Section and I would like to continue being a part of leadership and to fill in the Director position. If elected, I will continue to put my best foot forward to keep you informed with information regarding PECG and share concerns or compliments you may have. I will also strive to support your incoming President, John Murphy, to plan engaging events for us this coming year. I know I thrive the most when I can interact with others. I see this as a great opportunity to grow in my career and continue to thrive as a person. I understand how much our volunteer time can impact our members. I will do my very best to make a difference for the River City Section in this role. Thank you in advance for your time and support.
