

Vice President Supervisory: Lang Khang

Classification: Senior Water Resources Control Engineer

Department: State Water Resources Control Board

Duration of PECG Membership: Member as of 2016

PECG Experience: I have been a PECG member as of 2016 and also served as a committee chair for the River City Section's Learning Resources Committee as of around 2018. I love attending PECG events and supporting PECG through areas I have expertise and availability.

Candidate Statement: Lang Khang is currently a supervising Senior Water Resource Control Engineer with the State Water Resources Control Board, Division of Water Rights. He has been involved with PECG and other work organizations such as the Water Rights Employees' Association for much of his career with State service that started in 2016. Lang's vision in assuming the role of VP Supervisory, is to provide better outreach and education of existing benefits that extend to both Staff and Supervisors. He also wants to work towards stronger representation and benefits for Supervisory PECG members that are not immediately reflective of Rank and File members.
