

## 2024-2025 SECTION ELECTION CANDIDATE STATEMENT

---

**Secretary: Alex Gama**

**Classification:** Engineering Geologist

**Department:** State Water Board – Division of Financial Assistance

**Years of State Service:** 1 month

**PECG Experience:** I am brand new to PECG and look forward to meeting my fellow members and connecting with our community.

**Candidate Statement:** I am no stranger to leadership roles, as I was President of the Geology Club at Sac State in the 2019-2020 academic year. I have always thrived in a space where I can work to help myself and others on a path of forward momentum and growth. I am just entering my career as a geologist, and having an active role in our union is important to me. I am very interested in having a participating role in supporting an organization working to make forward strides in our wages and benefits. I am also looking forward to meeting my fellow colleagues and learning more about the fields and positions of our local engineers and geologists. I appreciate your vote and would be honored to serve as our section's secretary.
