

2024-2025 SECTION ELECTION CANDIDATE STATEMENT

Vice President Supervisory: Daniel Gamon

Classification: Senior Engineering Geologist

Department: State Water Resources Control Board, Central Valley Region

Years of State Service: 9

PECG Experience: Initial foray into PECG leadership roles.

Candidate Statement: I would be honored to serve PECG's River City Section in the Vice President Supervisory capacity. With 25 years of earth science work experience, and 10 years of that in State service, I am grateful for my career. As a current line supervisor and active PECG member I will give my all to this role and believe my work experience will help me hit the ground running. I am at the point in my career where I plan to be more active supporting our union's work and getting involved. If selected I would be proud to serve and help Supervisors and Managers continue to receive the pay and benefits they deserve.
