

**PROFESSIONAL ENGINEERS IN CALIFORNIA GOVERNMENT
2022 – 2023 GOLDEN GATE SECTION ELECTION
Candidate Statements**

Vice President Supervisory:

Nathan Sarina

Fellow PEGG section members,

I am running for the position of Golden Gate Section Vice President of Supervisory and Management. As a candidate I would like to tell of my background. I have been a PEGG member since 2012 and have assisted with previous section elections. I am currently a Utilities Engineer (Supervisory) with the Electric Safety and Reliability Branch at the CPUC and have been there since May of 2019. I obtained my P.E. license in Mechanical Engineering in 2014. I have had previous experience as the V.P. of the American Institute of Chemical Engineers chapter at San Jose State University. There I organized meetings and assisted with budgeting for our chapter and I hope to apply what I learned there to our section. I have also served as an interim Treasurer for the Golden Gate Section for 2015 – 2016, as Treasurer for 2017-2021, and as Vice President (Supervisory) from 2021-2022. Thank you for your consideration.
