Discussion:

- Discussed the supervisors meeting from the previous month. The meeting was successful with 16 attendees. We will continue to provide these meetings annually. Some supervisors may not know they need to continue memberships once they become supervisors.
- Discussed election results. We thanked Katie C. for her years of service with the Redding Sections and welcomed Katie G. as the new VP – At Large.
- We will continue to accept scholarship applications through the 15th of this month. We have 3 viable applications so far.
- The annual section meeting is scheduled for October 25th from 11:30-12:30 for all Redding Section Members.
 - Keith Mack and representatives from the new Connect licensing system will speak
 - \$25 gift card will be offered to all participants
 - We will introduce our section survey to follow shortly after the meeting for activities amongst the PECG local members.
- Derek discussed his possible transfer to district 11. If his membership transfers down to district 11, Kaylie would assume the role as Section Director if that were to occur.
