PECG CONGRATULATES NEW EXECUTIVE DIRECTOR OF THE FEDERAL HIGHWAY ADMINISTRATION

SACRAMENTO, Calif. – Professional Engineers in California Government (PECG) released this statement today following the announcement that Walter C. (Butch) Waidelich, Jr. will serve as the next Executive Director of the Federal Highway Administration (FHWA).

“Professional Engineers in California Government has a long-standing working relationship with the Federal Highway Administration and Butch Waidelich and we congratulate him on his appointment to Executive Director,” said PECG President Mark Sheahan. “We look forward to continuing efforts to ensure federal tax dollars are put to good use on important transportation infrastructure projects in California that keep our citizens and goods moving in a safe, effective manner.”

For more information please contact Ryan Endean at (916) 446-0400 or rendean@pecg.org.

PECG represents 13,000 state-employed engineers and related professionals responsible for designing and inspecting California's infrastructure, improving air and water quality, and developing clean energy and green technology.
