

The PECC Golden Gate Section is dedicated to fostering professional growth and camaraderie among its members. This report summarizes the various Golden Gate Section events recently held in 2023:

Member Appreciation Breakfast (Richmond) –

October 17th

Our first event was a Member Appreciation event with coffee and donuts, which was held on October 17th in Richmond. The purpose of this event was to show appreciation for our members and recruit new members. The event was a success, with over 15 members in attendance, and great discussion between members and PECC staff that attended.

Membership Meeting (Virtual) –

October 20th

The Membership Meeting, held virtually on October 20th, was another successful event. Our guest speakers, D’Arcy McLeod, VP Corporate Collective Bargaining, and Nadine Wescott, FED-PAC Committee, shared valuable insights and information about the bargaining strategy and FED-PAC. This was also the first meeting since the installation of our new President and Vice President, Rank & File. The meeting was well attended, and our members enjoyed the opportunity to hear from the guest speakers.

Overall, the events held during Fall 2023 were informative and well-received by the attendees. The PECC Golden Gate Section leadership and members deserve special recognition for their efforts in organizing and participating in these events.
