

This report summarizes the various Golden Gate Section events recently held in Spring 2023:

Member Appreciation Lunch (Oakland)
March 15th

Our first event this quarter was the Member Appreciation Lunch, which was held on March 15th in Oakland. The purpose of this event was to show appreciation for our current membership and recruit new members. The event was a success, with over 40 members in attendance and two new member signups! The catered lunch by Carbona Pizza in Oakland was fantastic, and everyone had a great time.

Membership Meeting (Virtual)
April 25th

The Membership Meeting, held virtually on April 25th, was another successful event. Our guest speaker, Brian Simon, the PECG Corporate VP Supervisory, shared valuable insights and information about his leadership experiences at PECG Corporate and PECG Eureka Section. We appreciated his messages about opportunities for promotion on the horizon and the importance of expanding membership. The meeting was well-attended, and our members enjoyed the opportunity to hear from the guest speaker.

SJSU Engineering Careers in Government Seminar (San Jose)
May 4th

The San Jose State University Engineering Careers in Government Seminar was held on May 4th in hosted by the Institute of Electrical Electronics and Engineers and Society of Women Engineers. The seminar aimed to provide students with information on engineering careers in government. The event featured Golden Gate Section member speakers (Carina Cornejo, Wendy Al-Mukdad, and David Tanouye) who shared their experiences working at state agencies and provided advice to the students. It was an informative event that offered opportunities for mentorship and networking with prospective engineers.

BPELSG Presentation on Professional Licensure (Virtual)

May 17th

The BPELSG Presentation on Professional Licensure was held on Zoom, and 75+ members from both Golden Gate Section and Bay Area Section attended. The presentation aimed to provide members with information on professional licensure requirements, exam topics covered, and the licensing process. The webinar was recorded and will be available to share for those interested.

Overall, the events held during Spring 2023 were informative and well-received by the attendees. The PEGG Golden Gate Section leadership and members deserve special recognition for their efforts in organizing and participating in these events.

If you would like to get involved to help with planning our membership events, contact one of the officers listed on our [Section webpage](#).
