PECG Orange County Section Monthly Meetings

The OC Section is continuing to hold our Monthly Board Meetings on the 2nd Wednesday of every month. We will be holding monthly meetings in person.

PECG Orange County Section and COVID-19

Due to Covid-19, most staff continue to telework, but the majority have started to report to the district office about 1- 3 days per week as directed by their supervisors. OC Section members continue to meet through teleconferencing and have been given tools to work remotely such as the Remote Desktop System (RDS) and WebEx and Microsoft TEAMS software. WebEx and Microsoft TEAMS have allowed members to attend and contribute to various meetings remotely and conveniently.

OC Section Committees

Through its several committees, the OC Section continues to involve and inform the membership and provide outreach to the community PECG serves. These committees include Membership Recruitment, Event Planning, Communications, and Student Outreach, among others.

Our Event Planning Committee is organizing a supervisory luncheon to be held in-person on May 30.

PECG Orange County Section's Membership Committee

After receiving feedback from PECG Corporate regarding effective recruitment methods and practices, the OC Section Recruitment Committee has incorporated the recommended practices to boost and retain our membership. These practices include the following:

- *Personalizing recruitment presentations based on the work experience of new hires*
- *Scheduling recruitment meetings with all new hires*
- *Sending the PECG weekly update directly to new hires until they are added to the mailing list*

The OC Section has also implemented a "welcome aboard" incentive for new members that gives them the \$50 "recruitment bonus" normally awarded to recruiters.

To encourage retention and keep members informed, the OC Section will continue to provide the newsletter to all section members. The newsletter will include information about upcoming events, details on benefits within the MOU, PECG Corporate updates, and a welcome section for new members.

Annual OC Section Holiday Luncheon

The OC Section held its holiday luncheon in person on December 12, 2023. The guest speakers that attended were Dawn Grosodonia (Labor Relations Counsel from the PECG Pasadena Office) and Steven Lee (PECG Corporate President Elect). Thanks to Event Planning Committee Chair Arvin Cuevas. The members enjoyed hearing valuable information from our labor relations staff and PECG corporate leadership.
