Quarterly Report (Dec. 2023 – Feb. 2024)

January:

- Section board officers met (virtually) to approve proposed budget for current cycle. Some proposed items include sponsorship of the various sports clubs (basketball, football/soccer Caltrans D10 FC, gym equipment) to promote health and exercise; and booking of upcoming membership meet & greet, community service, and social events.
- Attended new employee orientation (NEO) – three new hires plus two lateral transfers.

February:

- PECG Stockton Section approved a \$1,300 sponsorship to the San Joaquin Engineers Council (SJEC), to be granted at the annual Awards Ceremony at the University of the Pacific (UOP). The Awards Ceremony is organized by SJEC for: awarding multiple scholarships to local high school graduating seniors or current college students pursuing a degree in engineering, mathematics, or related sciences – of which one of the recipients is recognized as sponsored by PECG; and to recognize the “Engineer of the Year” award to a local engineer who has provided exemplary service to the community and region.
- The Stockton Section board officers have been invited to attend annual Awards Ceremony on Thursday, Feb. 22, 2024.
- Attended new employee orientation (NEO) – three new hires.
